

## STABLING INFORMATION

**ARRIVAL AND DEPARTURE:** Stall fees are for arrivals Monday July 5, 2010 beginning at 12 noon and departures completed Sunday July 11, 2010 by 12 noon. Earlier arrivals for those who travel a long distance (20+ hours) must be pre-arranged. Please contact the stabling manager, Mike McHugh, as well as the fairgrounds.

**SHARPS CONTAINERS** are provided in each barn. Please locate and use them. A \$200 fine per violation will be passed on to the violator.

**STABLING:** There are 402 permanent box stalls (wood or metal construction, with wood dividers, half-doors, full doors). Portables consisting of vinyl tarp on metal frames with full doors are located outside with roofs. All stalls and tackrooms are \$135.00 each.

**STABLING ASSIGNMENTS:** Haul-ins will not be allowed. Every horse must have its own stall. Horses may not be tied to trailers nor left in trailers overnight or during the day. Priority will be given to show patrons. After Patrons the assignment of stalls will be made as fairly as possible on the basis of postmark of entries, number of horses, and optimum use of facility. No stabling changes are allowed without the consent of the barn manager. Original stabling assignments will not be changed to accommodate late entries qualified after the closing date or post entries. Management will try to stable late entry as close as possible to other entries but no guarantees can be made. Decision of the show commission is final. Exhibitors wishing to be stabled together must submit their entries together in the same envelope. If you have special requests or considerations, please submit them with your entry. All requests will be considered, but no promises are implied.

**BEDDING:** Stalls will not be bedded but bedding will be supplied **AS LONG AS SUPPLY LASTS**. Additional bedding may be purchased by the exhibitor locally. Many of the stalls are matted at this facility so please bed stalls accordingly. Please do your part to conserve bedding use so we may continue our policy of having bulk bedding available.

**FIRE MARSHAL RULES:** By order of the Fire Marshall, all aisles between stalls must remain open. All materials used for decorative purposes must be treated with flame retardant; this includes stall drapes, even those made of cordura. Please be prepared to present evidence of this to the Snohomish County Fire Department. The Fire Marshall will inspect the show grounds. Authorized electrical appliances for grooming purposes may be used. The electrical system may not be altered or tampered with, under any circumstances. If electrical cords are used, they must be of the heavy-duty, outdoor type. **SMOKING IS NOT ALLOWED IN THE ARENAS OR BARN AREAS.** Hydrants, building exits and aisle ways must remain clear of all obstructions. Decorations, signage or temporary structures may not cover or block any building exits, fire hoses, phones, or electrical panels. **Shavings may not be used in aisles or barn walkways as they are a fire hazard.**

**STALL AND BARN DAMAGE:** Stalls may not be structurally altered in any way. NO removal of fronts or tear down of sides to make larger areas. Do not put nails, screws or other types of hole producing devices into the stall walls. The use of staples, tacks or tape to attach decorations to walls, buildings, stalls, etc. is prohibited. Horse hooves are not to be painted on unprotected barn floor and aisles. EXHIBITORS ARE FINANCIALLY responsible for any damage or alterations to stalls or barns and will be charged accordingly. Barns and stalls will be inspected for damage and alterations.

**STALL AND BARN CLEAN-UP:** Exhibitors are responsible for cleanup and disposal of materials other than bedding used in stalls. **Decorations must be removed by the exhibitor following the show.** This includes any materials placed in aisles or outside barns or materials used for decorative purposes. The cost of clean up will be \$43.00 per hour and \$6.50 per yard dumping fee for cleanup and disposal of materials other than actual stall bedding.
