

# 2019 Region 5 Sport Horse Patron Packages and Sponsorships

The patron's package are in two categories: Training Barn/Farm and combined Region 5 Sport Horse and Main Ring packages. All Patron stall fronts must be an active Training barn/farm with seniority being determined as first come first serve.

In the lower (2) barns, Patron stall fronts will include the front of the barn directly in line with up to the 15 stalls that follow behind that front. In the upper (2) barns, Patron stall fronts will include the front of the barn directly in line with up to the first 12 stalls following that front. If a Training Barn/Farm requires more stalls than those listed above then those stalls will flow into "overflow" stalls. The show management will try to locate those overflow stalls as convenient as possible to Patrons stall front and other stalls. This may be by way of permanent or portable stalls. If a Training Barn does not use all the stalls 15/12 stalls directly behind the stall front then the show management, at its discretion will place others in those stalls. Please be advised there is no guarantee that you will get all of your stalls together if you have more than the stalls listed above for each barn locations. Also the lower barns have limited space. If you have a preference please indicated by checking upper or lower Barn below the package you choose.

All Region 5 Sport Horse stalls will be assigned by the stabling committee on the basis of many considerations including but not limited to date patron form received, the number of horses, overall pattern to optimize the barns. To assure your place in the premium stalls please return this form with all required information along with your Patron payment to Region 5 by May 23, 2019.
